Child (2-11 yrs): RM 129 nett

TOUR B: MT KINABALU & RIVER FISH MASSAGE with Lunch (0630-1830hrs)

The jagged granite peaks of Mt. Kinabalu (4095m) towers above one of the most biologically diverse areas in the world. Nominated by UNESCO as a World Heritage Site, Kinabalu Park is a natural wonder that offers day visitors a glimpse into the unique world of plant life. The montane forest at park headquarters gives way to lowland dipterocarp forest at Poring on the eastern boundary. Enjoy a short trek through the rainforest and witness life in the treetops as you walk along the 100ft high Canopy Walkway (If closed, will be replaced with a visit to the Tropical Garden). Adjourn to Luanti village for an ingenious way of having a fish massage.
