May 5th 2014

Dear ISP Members

Lectures in Sabah Hotel - Sandakan

We are pleased to inform that The Incorporated Society of Planters (ISP) Sabah Northeast Branch will be hosting a talk on Prostate Cancer & PSA Testing & Men's Health in the Golden Years on:

Date : 25th May 2014 (Sunday)
Time : 3:00pm to 6:00pm
Venue : Executive Parlour. Level 6
Sabah Hotel, Sandakan

Detailed of the talks are as follows:

- 3:30pm - Prostate Cancer and PSA Testing – Public Concern and Understanding
By Prof Johannes Vieweg
- 4:30pm - Men's Health in the Golden Years
By Prof Dato Dr. Hui Meng TAN

Detailed profession of the two professors are also attached for your information.

The admission is free of charge to all ISP members and public. Due to the limited space, we will only entertain the first 50 persons.

This will be a good opportunity not to be missed as both Professors have taken time out from their busy schedules to come and brief us from their experience.

Kindly call the undersigned to book your place in advance to avoid disappointment.

Yours sincerely
