To: All Members,

We are pleased to inform that The Sabah Northeast Branch will be hosting a talk on Prostate Cancer & PSA Testing & Men's Health in the Golden Years on:

Date : 25th May 2014 (Sunday)
Time : 3:00pm to 6:00pm
Venue : Executive Parlour, Level 6, Sabah Hotel, Sandakan

Detailed of the talks are as follows:

3:30pm : Prostate Cancer and PSA Testing
- Public Concern and Understanding By Prof Johannes Vieweg
4:30pm : Men's Health in the Golden Years By Prof Dato Dr. Hui Meng TAN

Detailed profession of the two professors are also attached for your information.

The admission is free of charge to all ISP members and public. Due to the limited space, we will only entertain the first 50 persons.

This will be a good opportunity not to be missed as both Professors have taken time out from their busy schedules to come and brief us from their experience.
